Case No. 2:19-cv-03634

JUDGE ALGENON L. MARBLEY

Magistrate Judge Jolson

ORDER

This matter is before the Court on Defendant Ronald E. Scherer's Motion for a Settlement Conference. Doc. 61. The parties have already submitted multiple motions for summary judgment which, if granted, would resolve this case. The Court, therefore, declines to order a settlement conference at this time. Accordingly, Defendant's Motion [#61] is **DENIED**. If appropriate, the Court will include a date for a settlement conference within the case Scheduling Order.

IT IS SO ORDERED.

A handwritten signature in purple ink, appearing to read 'Algenon L. Marbley', is written over a horizontal line.
